

## Blackwell Elementary School Virtual School Expectations

Teachers	Students	Parents
<p>Provide student learning targets and schedule daily in Google Classroom.</p> <p>Review classroom expectations daily.</p> <p>Provide clear instructions to students:</p> <ul style="list-style-type: none"> <li>● What students need to do to complete a lesson;</li> <li>● What materials students should use to support their learning during a lesson;</li> <li>● How students will engage in a conversation with peers;</li> <li>● What students are required to do to submit evidence of their learning; and</li> <li>● Tell students how they will receive feedback on their assignments and how students will contact the teacher.</li> </ul> <p>Feedback is given digitally and virtually in a private setting.</p> <p>Host office hours for students every day.</p> <p>Host office hours for families at a minimum once a week.</p> <p>Continue to learn new virtual technology platforms and support students/families in learning new technology skills too!</p>	<p>Login to your Google Classroom every day and follow the expectations of your teacher.</p> <p>Learn about being a responsible Digital Citizen.</p> <p>Show responsible behavior and work respectfully and collaboratively with peers, all JHBES teachers, counselors, instructional assistants, and administrators.</p> <p>Use appropriate and kind language.</p> <p>If you have a question or need help, check in with your teacher during a small group or during your teacher's office hours.</p> <p>Complete as many assignments as you can. Submit your assignment in Google Classroom.</p> <div style="text-align: center;">  <p style="color: red; font-size: 1.2em; font-weight: bold;">Better Together</p> <p style="color: red; font-weight: bold;">JHBES</p> </div>	<p>Thank you for being a virtual coach in your child's learning!</p> <p>Create a comfortable, distraction-free place for students to participate in class and complete assignments.</p> <p>Assist students with logging into their device and online applications, and walk them through instructions when needed.</p> <p>The Google Classroom stream is for student-teacher communication. Parent questions/ concerns should be communicated with the teacher via email or during the teacher's office hours.</p> <p>Remind your child to use respectful language. Model these behaviors for your child.</p> <p>Assist your child with being organized and in turning in their work by the identified deadline. Ask for an extension if you need additional support.</p> <p>Assist your child with technical support such as typing questions, posting school work, and navigating the classroom. Help your child learn to do some of these things independently over time.</p> <p>Please do not post your comments about the quality or kind of teaching happening or compare the class to other classes. If you have feedback concerning the lesson please email administration.</p> <p>Provide brain breaks and physical activities during the scheduled breaks when possible.</p>
