

Greetings Fox Family!

May 31, 2021

I hope that on this Memorial Day holiday, you have taken some time to talk with your family about why we celebrate this holiday. While it is the proverbial start to "summer" (even though the sun tells us that summer does not begin until the equinox occurs), so many people have lost their lives defending our country. This day is honoring their ultimate sacrifice.

As we get ourselves ready for the final 3 weeks of school (can you believe we have made it this far virtually?), I have some important information to share with you:

1. **All Chrome books and hot spots must be returned following school ending on June 17th.** I will have details next week about the days/hours we will be collecting Chrome books and hotspots.
2. **If you are interested in Virtual Instruction for your child for next school year, the deadline to indicate that your child will attend school virtually is on Tuesday, June 1st.** If you do NOT indicate that your child will attend school virtually, then we will be expecting your child back to school, in-person, next school year! If you missed the Fox Town Hall on re-opening last Tuesday, **you can view a recording of the info session on our PTA's Facebook page, or on our school website:**
www.rvaschools.net/Domain/20
3. For those families that gave permission for **in person SOL testing for their 3rd, 4th, 5th grader, here is a [flier](#): with the testing dates (and they are on the "Mark your Calendar" section below)** Our students will be testing at Chimborozo Elem. If you indicated that you would like transportation for your student, you will receive an email with the time/location for the bus stop at least 24 hours prior to the testing. If you did not indicate that your student needs transportation, you will need to take your child to Chimborozo **by 8:30** the morning of their grade level's assessments.
4. If you opted for the Virginia Remote Student Progress Test (VRSP) virtual assessment for your 3rd, 4th, or 5th grader, they will take the VRSP virtually with their current Fox teacher (schedule below). If you opted out of SOL and the VRSP, students will continue to be provided with assignments during testing.

Reminder: If you did not receive your child's last interim report (mailed on May 19th) you need to call the school to make sure we have the correct address!!! Additionally, if you have moved out of the Fox zone, and you were not accepted to remain at Fox through open enrollment, you will need to

register at your zoned school. Please let me, or the school office know if your child will not be returning to Fox next year. This greatly helps with our planning!
