

Greetings Fox Family!

June 13, 2021

I can't believe this is the last weekly update of the 20-21 school year! Honestly, there were days and weeks when I was not sure we were going to make it---and here we are.

I hope that you are feeling a sense of accomplishment for you and your family. This past year (and a half) has definitely not been easy, but we ARE coming out of it. I am proud of our students for learning how to learn on a computer. I am proud of our teachers for never giving up on the routines, learning, and working so hard to make connections. I am proud of all caregivers for making this work for your family! This is a year we will NEVER forget!

However---it is not over YET! We have 4 more days of school and I need all students to attend school these last 4 days! Also---there is A LOT going on---please note the following info/dates:

- **ALL students must turn in their technology (Chomebook + any tablets and/or hotspots that you have).** If you are attending summer school, you will turn in your devices at the end of summer school at the summer school location. **ALL other students must turn in their devices next week:**
