Virtual Supply list

As you may be aware RPS will be providing "Student Kits" for your students' Virtual Learning! We are hopeful that these will be able to be distributed before school begins, but with supply chain challenges right now that is unclear.

This weekend (Aug. 7-9) is Virginia's "Tax Free Weekend" and you may want to buy needed items at the cost savings it provides. Below you will find items that your student will need to have on hand. Some of the items MAY be eventually provided in the RPS student kit, but these supplies are things that your child will need for the first days of school. If you end up with extras you will be able to use all of these items in the future!
