

ALBERT HILL

SUMMER READING 2021

Albert Hill's summer reading program is all about choice! As a school, we will be using the Richmond Public Library's model for summer reading: you choose the books you want to read and you simply track the minutes you read.

As you read, keep track of your minutes using this [Google Doc](#). You can either make a digital copy, or print it out. When we return in the fall, turn in your log to your English teacher for a chance to receive extra credit and to attend a Pizza Party!

The top three readers for each grade level will receive a special prize.

Make sure you complete the Richmond Public Library's log as well so you can enter to win their fabulous prizes!

Need some suggestions? Check out the Virginia Reader's Choice Middle Level award winners for this year [here](#).
