

# I Screened You Screened We All Screened

Learn How the Virginia  
Newborn Screening  
Program Saves Lives!

Saturday, February 1, 2020 • 1:00–4:30 pm

Eighth grade students - put your science skills to the test on Saturday February 1st, from 1:00 pm to 4:30 pm at the Virginia Division of Consolidated Laboratory Services (DCLS). Approximately 25-30 students will spend the afternoon participating in hands-on newborn screening related activities and learning about careers in public health.

Parents - you're invited too! Take a tour of DCLS after drop-off, and learn how Virginia's state public health and environmental laboratory serves the Commonwealth. RSVP by January 17, 2020.
