

Greetings, New Pharaohs!

CONGRATULATIONS! We are pleased to welcome you this fall. We are excited for in-person instruction and look forward to meeting all of you in our historic building. In-person instruction will really give you the opportunity to experience the high standards we have established for scholars attending our school.

Our New-Student Orientation is scheduled for **August 2-5** (specific times will come later). This is a **mandatory orientation for all incoming students**. This four-day interactive experience will be filled with resources, workshops, and social activities to help you successfully transition into our school community. At the end of orientation, there will also be a parent meeting to allow a platform for all parents to ask questions regarding the upcoming school year and what we have to offer.

Below we have provided you with a link to select your courses for the upcoming school, if you have not completed this task to date. Please read over the form carefully. If you have questions, don't hesitate to reach out to our school counselor, Ms. Bernita Williams. She can be reached by email (bwilliam@rvaschools.net).

Again, congratulations! We thank you in advance for your partnership. If you have any questions, please don't hesitate to contact the main office (804) 780-4332. I can also be reached by email at kmassenb@rvaschools.net. We look forward to having you join the ranks of the many wonderful young scholars who are currently attending, or have graduated from, Richmond Community High School (RCHS). We are Pharaohs, leading the way while Standing Firm in Our Excellence.....ALL IN, ALL ONE, ALL PHARAOHS!

Sincerely yours,

Kenya Massenburg

RCHS Principal
