

Bidder's Mailing List Application

Information and instructions:

Persons or concerns wishing to be added to the bidder's mailing list for supplies or services shall file this properly completed and certified Bidder's Mailing List Application, together with such other lists as may be attached to the application form. The application shall be submitted and signed by the principal as distinguished from an agent, however constituted.

After placement on the bidder's mailing list, a supplier's failure to respond (submission of bid, or notice in writing that you are unable to bid on that particular transaction but wish to remain on the active bidder's mailing list for that particular item) to more than three invitations for Bids will be understood by Richmond Public Schools to indicate lack of interest and concurrence in the removal of the supplier's name from the bidder's mailing list for the items concerned.

The schedule of commodity groups as used by Richmond Public Schools for the issuance of bids and proposals is printed on the following pages. READ THE ENTIRE LIST CAREFULLY and check on the commodity group(s) which you can supply and for which you would like to receive bids.

Upon completing this application, return it to:

Richmond Public Schools, Procurement & Property Management, 2325 Maury Street, Richmond, VA 23224
