

RPS High School Report Card FAQ

Why does my child have a grade of “I” (*incomplete*) on his/her report card?

During the closure, students who were enrolled in credit bearing classes needed to complete course content (either via Edgenuity or a performance task). If your child has an “I” on his/her report card, that means s/he did not complete the Edgenuity module(s) or performance task(s) by the June 15, 2020 deadline. Your child still has a chance to complete the work over the summer and receive a grade by enrolling in online summer school (<https://www.rvaschools.net/summercamp>). Once the work has been completed your child will be granted the appropriate grade and credit for their course(s).

Why doesn't my child have a grade for Marking Period 3 (MP3) on the report card?

MP3 was shortened because of the school closure that began on March 13, 2020. As a result of the shortened MP3, along with some students' unique circumstances, some students did not have the opportunity to submit work for grades.

My child's report card has a “SCE” listed for a course and no other letter grade. What does this mean?

If your child received a failing grade for the year (*calculating Semester 1 grade at 66% and MP3 grade at 33%*) but completed the Edgenuity module(s) and/or performance task, s/he received the grade of “SCE” (*Successful Completion of Edgenuity*) for both the Semester 2 grade and Final Grade. The grade of “SCE” counts as one point towards your child's GPA calculation. In the fall, your child will have the option to retake a course with a “SCE” if they'd like the opportunity to raise their grade and improve their GPA. Please note the credit was awarded for any course with a “SCE”.

Who can I speak to if I have a concern about the final grades on my child's report card?

If you have questions about your child's report card/grades please contact the school. School staff is available Monday through Thursday from 7am-5pm.

When will the final transcript for seniors be available?

Final transcripts for seniors will be available after July 15, 2020.
