

Accessing Google Classroom

1. Navigate to Google Classroom and login using your RPS email and password.

If you are using a RPS issued Chromebook, this is done for you. Click the tab labeled Classes.

If you are using your own laptop or computer, enter classroom.google.com in your search bar.

Login Help

Email (username): Student ID Number (without the first 2 zeros)
@rvaschools.net

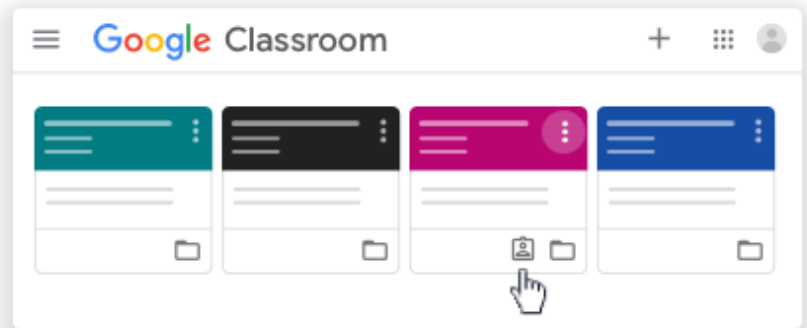

Example: Student ID number is 001234567, to login student would be 1234567@rvaschools.net

Password: first initial lowercase, last initial UPPERCASE the birthdate with full year

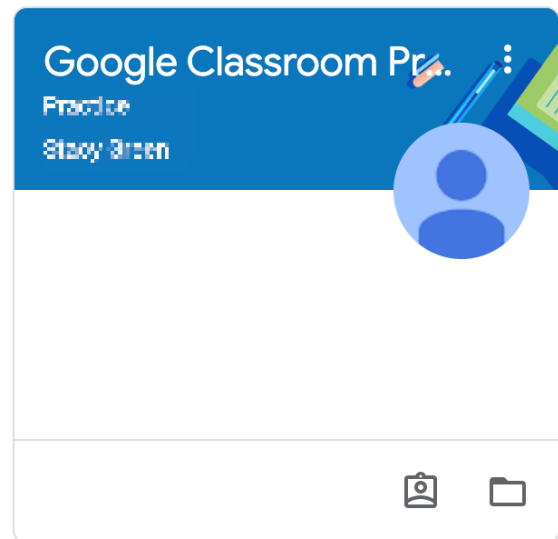

Example: John Doe born on July 23, 2007 would have a password jD7232007.

**If there are any issues logging in, contact your teacher to have your password reset.*

2. Once you are logged in, click on the class you would like to have access to.

An example class card is shown below.

3. The Classroom's Meet Link will be located in the class banner. Click on this link to join the virtual classroom session.
