

Welcome to the 2019-2020 school year! My commitment to Richmond Technical Center is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the twenty-first century. The ultimate goal of our school is to prepare students to flourish in high-demand careers.

High standards and expectations for each student in regard to academic performance, co-curricular participation, and responsible citizenship are the foundation of our school. It is with pride that I hold these high standards and ask each of our students to commit to maintaining the extraordinary record of achievement and contribution that has been the legacy of Richmond Technical Center students. It is the contribution of our students to our school community that makes Richmond Technical Center an exceptional learning community. I am extremely proud of the strong partnerships we hold with stakeholders as we work together in a collaborative and respectful manner.

In conclusion, I wish you all a wonderful school year. If I can be of any assistance, please do not hesitate to contact me and know that my door is always open. I can be reached at jmitchum@rvaschools.net. I am honored to serve as your principal.
